

6th Grade Schedule

Below is your Remote Learning schedule, which details when you will have classes through Google Meet. **Class attendance is mandatory - just like it would be at Vilas.** If you cannot make a class, let that teacher know.

Do your best to complete all your work and check in with teachers, especially if you are falling behind. **We are here to help.** Wednesday is a perfect day for check-ins. OH next to a subject means Office Hours for that teacher - another great time to check-in.
